## **PART 2**

### **Aims and Objectives**

#### **Mission Statement:**

Established in 2003, our mission is to offer the safest, most effective cosmetic treatments, and to achieve the best possible results for our patients. Hans Place Practice service consists of dedicated and professional practitioners and staff. We strive to be acknowledged by our patients, suppliers and regulators as the leader in our sector. This will be achieved by ensuring that we recruit and train highly professional staff whose ambitions are to exceed patient expectations.

#### *Our Aims and Objectives:*

- To understand and exceed the expectation of our patients
- To acknowledge patient feedback and make relevant changes where necessary in order to improve our service and maximise patient satisfaction
- Invest in the relevant equipment and technology and innovate processes, based on evidence-based practice and research within our field
- To both motivate and invest in our team and acknowledge their value
- To encourage all the team members to participate in achieving our aims and objectives
- To support each other in achieving patient expectations
- Maintain the highest professional and ethical standards
- Respond to the needs of our patients, practitioners and staff
- To encourage innovation, ambition, enterprise and continuous improvement
- We provide a very high level of professional services relating to acute cosmetic services within the medical aesthetic field, including, but not limited to, VASER liposuction and Fat Grafting.

## **PART 3**

### **Regulated Activities**

The following Regulated Activities are provided by Dr Mike Comins (Hans Place Medical Practice) T/A Hans Place Practice:

#### **1. Treatment of Disease, Disorder and Injury**

- We provide consultation, examination and treatments in aesthetic medicine and treatment of skin and subcutaneous diseases and disorders.

#### **2. Surgical Procedures**

- We offer a range of acute cosmetic services without overnight beds which are carried out under local anaesthetic and/or IV sedation on the premises.
- Procedures carried out include: Vaser liposuction and fat grafting.

#### **3. Diagnostic and Screening Procedures**

- We provide diagnostic procedures in Aesthetic medicine including ultrasound, pathology and physiological services.

## **PART 4**

### **Clinic Location**

#### **Hans Place Practice**

**Address:** 43 Hans Place, Knightsbridge, London, SW1X 0JZ  
**Contact:** Telephone Number: 0207 584 1642  
**Email Address:** [info@hansplace.com](mailto:info@hansplace.com)

#### **Description:**

The location provides consultation service for all surgical and skin treatments provided by Hans Place Practice. VASER liposuction and fat grafts are both carried out on site as well as non-surgical aesthetic treatments. The location is across 2 floors in central London. Given the structure of our building, we are unable to offer unrestricted access for patients with wheelchair mobility needs.

**Nominated Individual:** Dr Mike Comins  
**Contact:** Telephone Number: 0207 584 1642  
**Email Address:** [mike@hansplace.com](mailto:mike@hansplace.com)

#### **Regulated Activities:**

- Treatment of Disease, Disorder and Injury
- Surgical Procedures
- Diagnostic and Screening Procedures
